Division of Senior Services Accomplishments

The Division of Senior Services was established in 1976 with the mission to support and assist senior citizens. Our services allow older adults to remain living in their own homes as comfortably and as independently as possible, thereby avoiding institutionalization while they actively contribute to the community. A belief in our seniors and a desire to promote the continuation of an active life has reinforced a commitment of care and quality in a variety of programs, at our eleven senior centers.

During Fiscal Year 2005/2006, we provided the following services:

- Membership enrollment totaled more than 8,525 seniors
- Transportation provided 49,607 rides
- Nutrition served 84,873 meals through the congregate meal sites
- Meals on Wheels delivered 165,805 meals to homebound seniors
- Outreach/Advocacy Representation was provided 8,999 times
- Health Promotion/Assessment Screening was provided 2,186 times
- Homemaker Services were provided for 157 individuals, totaling 7,072 hours
- Respite (Alzheimer's relief) staff provided approximately 11,671 hours of service, assisting 85 clients
- Family Caregiver Support provided counseling, medical equipment and financial support to over 122 families
- Foster Grandparent volunteers provided over 31,800 hours of service to children with special/exceptional needs
- Senior Companion volunteers provided 29,000 hours of assistance to frail, homebound clients
- Retired and Senior volunteers provided over 122,000 hours of service all over Santa Fe County
- Center Programming provided 38,189 sessions of recreation for 1,277 individuals

For the past 30 years, the Division of Senior Services has consistently expanded programs and tried new ideas while maintaining a steady and vital resource for seniors. We look forward to continuing to provide efficient, quality services to our clientele.
